

Recommended and Approved Scientific Calculators

The following calculator models are **allowed and recommended** for use in exams:

- **CASIO fx-991ES PLUS (2nd Edition)**
- **CITIZEN fx-991ES PLUS**

Please note: While the CASIO fx-991EX CLASSWIZ is a popular advanced model, it has not been permitted in some examination centers in certain years.

Students are advised to confirm calculator acceptance with the respective examination center prior to the exam.
